NEW DEPOT SOUGHT WITHOUT CROSSING IN NEW PROPOSAL

Plan of Improving 'Dead End' Street Considered by Officials Here

PARK IDEA INCLUDED

Movement Started to Get New Santa Fe Station Near Second Avenue

In the belief that if local citizens seek only a new Santa Fe passenger depot and not also a grade crossing at Second avenue over the tracks, the building might be secured, a proposed program looking to a new station was being considered today. Included with the new depot project is a proposed idea for the beautification of the "dead end" of Second avenue on a basis that would not result in an increased tax rate for the city.

For years many local residents have agitated the extension of Second avenue over the Santa Fe tracks, necessitating a grade crossing, and the removal of the depot from its present site.

As a strong sentiment against additional grade crossings prevails in the state railroad commission and among the Santa Fe officials, some local leaders have expressed themselves as inclined to give up the grade crossing idea and work only toward the securing of a new depot for the city. The chamber of commerce directors are considering the project and one of the officers may soon approach the proper railroad officials.

The companion idea for the improvement of Second avenue at A street includes the beautification of Second south of the alley between A and Ninth street. The proposal entails the removal of the present buildings on the property and the creation of an assessment district to carry the financial burden. Such a district would include the property that would be benefited by such a project.

If a small park, some trees and shrubbery were placed where now stand some of the city's oldest buildings, property owners affected and the public in general would greatly benefit, is the belief.

One feature of the proposal is that the general tax rate would not be touched and that the improvement could be realized without any additional burden being placed on the general taxpayers.

The plan of getting a new depot by divorcing the grade crossing and of making the city's main street end in a beauty spot was proposed at a recent chamber of commerce meeting at which there was one city councilman and Richard G. Manley, city engineer.

Mr. Manley said that the beautification project looks feasible and he hopes to see immediate progress in the matter.

It has been reported that Santa Fe officials have in their budget appropriation for a new Upland depot and it is believed that the improvement has been delayed due to the local sentiment for a new grade crossing.

Mrs. Colborn Home From National Meet

Mrs. Amos Colborn, delegate from Los Serranos chapter, D. A. R., to the national D. A. R. convention recently held in Washington, D. C., and also honored with the appointment as one of the convention pages, returned home this morning. At noon she was the guest of a group of members of Los Serranos chapter at an informal luncheon in Hotel Ontario.

Auxiliary Members Go to Riverside

Several members of the Auxiliary to the Sons of Veterans attended a number of sessions of the four day convention held in Riverside this week by the G. A. R. and four other patriotic organizations. The Upland group attended the sessions Tuesday and again on Thursday when they went over to vote in the annual elections and to attend the big "stunt night" banquet held last night.

Those going over were Mrs. Howard Graves, Mrs. N. E. Taylor, Mrs. Thomas Evans, Mrs. Sarah Redmon, Mrs. McConkay, Mrs. [illegible] and Mrs. Bell Knol[illegible]

Foothill Opened For Business, Aim

If there is anything to rumors circulated in the city today and current for at least a week, there is going to be a strong effort made to get Foothill boulevard zoned as a business district.

One rumor even went so far as to include the statement that a large chain bank was back of the effort and that if the proper zoning law could be made, a building would be erected on Foothill near Second avenue.

City officials admitted that there was some agitation looking to Foothill as a business district, but little credence was given to the more ambitious reports. The city planning commission, however, will have this matter to face when it is appointed.

Richard G. Manley, city service manager, was today preparing to get signatures on deeds giving the city the right-of-way for the proposed widening. At least 90 per cent of the property can be obtained voluntarily, he believes. Property that cannot be obtained in this way will be condemned by the city and the desired amount of frontage obtained through the court procedure.

MEXICAN LEADER BACKS PROJECT

Largest Holder of Property in District Favors New Subdivision

Having confidence in Emillo Valadez, known as the largest Mexican property owner in Upland, the local Mexicans will act in regard to the proposed Mexican subdivision as Mr. Valadez decides, it was announced today.

Mr. Valadez wants the improvement, his son, Joe Valadez, said.

The young Valadez is interpreter for Mexicans in the local courts.

This announcement of Mr. Valadez's desire to see the work through is looked upon as an assurance that the proposed improvement can be made.

The plan is for the Mexican property owners to make an exchange of property, taking them to an acreage at Campus avenue and Thirteenth street.

A syndicate is to be formed to bring about the transfer of property, owners of the Thirteenth street tract to take over the Twelfth street and Campus avenue Mexican tract.

The city planning commission will take up the proposed improvement as one of its first tasks.

JUNIOR HIGH BOYS IN TRACK CONTEST

Rain Postpones Part of Event; Merton Hill Wins Three First Places

Young athletes at the Upland junior high school performed in their annual play-day track meet yesterday in spite of the rainy atmosphere, with Merton E. Hill, Jr., being the outstanding first place winner of the afternoon. No student could enter more than three events and young Hill took three firsts.

The meet was divided into two sections, one for the eighth and ninth grade students and one for the seventh grade runners and jumpers.

Following is the result of the eighth and ninth meet: shotput, John Meek, first; Leamon Kearney, second, and Howard Roberds, third.

75-yard dash, Ronald Gibson, first; Bert Nichols, second, and Charles Hunt, third.

Pole vault, Leamon Kearney and Joe Coe, tied for first; Elwood Hartzog, third.

440 dash: Yonstroza, first; Bert Nichols, second and Howard Roberds, third.

Seventh grade meet: 75 yard dash, Merton Hill, first; Larry Smith, second; Lopez, third.

Shotput: Kilpatrick, first; Eldon Bert, second; and Frank Watkins, third.

Pole vaule: Lyle Brown, first; Wayne Jenison and Eldon Bert, tied for second.

Broadjump: Merton Hill, first; Paul Fetrow, second, and Lyle Brown, third.

440 yard dash, Merton Hill, first; Ward, second; and Cunningham, third.

220 lard dash: Lopez, first, Larry Smith, second, and Ward, third.

Due to the rain all the events were not held, the remainder will be contested early next week. William C. Andrews, Upland, junior high, and Fred Clapp, Chaffey, were in charge of the meet.

D. J. CAMERON IS ELECTED CHAIRMAN OF SCHOOL BOARD

Reorganized Group Pays Tribute to G. A. Hanson, Who Retires

DuVALL BECOMES MEMBER

Three-Year Probationary Period Is Fixed in Employing Teachers

D. J. Cameron is chairman of the Upland board of education, succeeding G. A. Hanson, as the result of the organization of the board yesterday morning.

Clyde DuVall, who was elected without opposition, took office. Mr. Hanson, who has served six years on the board, ended his services with the installment of Mr. DuVall. Fred E. Draper was re-elected clerk.

Change in the probationary period from two to three years was made by the board. This means, as explained by Mr. Draper, that after teachers have been here three years, their tenure is more or less permanent.

Recognizing the valued services of G. A. Hanson as chairman of the Upland board of education, the newly organized board at its first meeting yesterday adopted a resolution publicly thanking the veteran resident for his long service to the organization.

Copy of the resolution was signed by D. J. Cameron, newly elected chairman; Fred E. Draper, clerk, and Clyde D. DuVall, new member, and given to Mr. Hanson.

Following is the resolution:

Whereas, George Augustus Hanson, on April 30th, 1930, completed his sixth year of continuous service as a member of the Board of Trustees of Upland Elementary School District, at Upland, San Bernardino County, California, and

Whereas, during this term of years he has given unstintingly of his time and thought and has been instrumental in accomplishing, among other things, the acquisition of additional school grounds and the erection of the Upland Junior High School building, and

Whereas, this Board believes that such service should be suitably acknowledged; therefore be it

Resolved, by the board of trustees of the Upland elementary school district, in this their first regular meeting, that we express to Mr. Hanson through the means of this resolution, the appreciation of the board, which we feel sure represents the appreciation of all the citizens within the Upland elementary school district, and be it further

Resolved, that a copy of this resolution, signed by all of the trustees of this district, be presented to said George Augustus Hanson and a copy thereof be spread on the minutes of this meeting.

Hemet Dam Fools Fishermen; No Fish Are Caught

There are just as many fish in Hemet dam today as there were yesterday.

Seventy-five fishermen, many from Upland, spent the day at the dam on the first day of the fishing season, but none of them have anything to show for it. All kinds of bait were used and only one man got a strike.

Enough fish are in the lake for the season, it is reported, but circumstances of rain and weather combined to keep the fishermen from enjoying a good day.

Cucamonga canyon produced the best day's sport of any district in the fishing area, it is reported.

Rain To Boost Size of Valencias, Belief

Upland had some big navel oranges and the valencia oranges will be large too.

At least the fruit is not through growing and the rain of this week will speed along the growth. Few cars of fruit were handled in Upland this week due to the rain, but when the skies clear, picking and packing of the valencias will start in earnest.

Fifth Grade Spellers Eager To Conquer Words In Old-Time Bee

Spurred on by the enthusiasm shown in The Upland News spelling bee last Monday, fifth grade spellers in the schools of Upland, Alta Loma, Cucamonga and Etiwanda were today eager to try their turn in conquering the tongue-twisting words.

In the Central school, Cucamonga, at 3:30 o'clock Monday afternoon, teams of five spellers from each of the local schools will compete. Many of the fifth grade spellers were in attendance at the fourth grade spelling bee in the Tenth street school last Monday and ever since then have been cramming for the event at the Central school.

In view of the interest taken by some of the adults and others in the old-time spelling bees being conducted by The Upland News, teachers of the schools joined with The Upland News today in extending an invitation to the public to attend all the contests in the future. The next contest will be in the Central school, Cucamonga, at 3:30 o'clock Monday afternoon. Fifth grade teams from the schools in Upland, Alta Loma, Cucamonga and Etiwanda will compete. The sixth grade contest will be held May 12.

As in the first contest, the last five students remaining up will win points. The last speller surviving the word conflict will be given five points, the next to the last student down, four points; the next, three points; the next, two points, and the next, one point. The school getting the most points will win the old-time spelling bee. The winning room will be presented a pennant by The Upland News and each of the point winners will get an individual token.

Profiting by the experience in the contest last Monday, those in charge of the event have planned a few changes in the conducting of the spelling bee proper. One teacher will be selected by the Central school to pronounce the words to the spellers. Two judges will be selected to decide on questions that arise during the spell-down.

The contestants will be placed in a line, no two students from the same school together. When a student misspells a word, he or she will go to the foot of the line. When two words are missed, the student is eliminated.

Following are the names of the team members from the various schools, the name of the student being followed by the name of a parent:

Etiwanda

Lloyd Johnson, William S. Johnson; Roy McCann, J. A. McCann; Frank Smederly, Emil Smederly; Frances Barnes, W. F. Barnes, and Howard Utman, A. L. Utman. In reserve will be Charlie Smederly, Emil Smederly.

Tenth Street

Catherine Fischer; Ernest W. Fischer; Mary Louise Helms, A. H. Helms; Elsworth Mitchell, A. T. Mitchell; Hal Isaacs, R. H. Isaacs, and Charles Bob Thompson, Noyes Thompson.

Alta Loma

Barbara Leigh Grass, J. S. Grass; John Toews, A. K. Toews; Charlotte Parsons, W. J. Parsons; June Morden, E. J. Morden; and Modisto Ebot, Candido Ebot.

Cucamonga School — Paul Leos, Gabriel Gutieriez, Jun Zanvotti, Juan Rangel, Joe Twentes.

WORK ON THEATRE REMODELING SOON

Fox Corp. Moves Equipment Out and New Sound Movie Will Open Soon

C. A. Portman, who has leased the Colonial theatre building and will remodel same, expects to have workmen on the job the first of next week. The Fox corporation, who owned the equipment in the building, moved same out yesterday. The office room in the front of the building utilized by John D. Howe in the past will be changed so as to make more room for the lobby.

Mr. Portman has already purchased the RCA phototone and most of the other equipment with the exception of the seats, for which he expects to close a deal within a day or so.

The announcement of this sound theatre for Upland created much interest among people of the community and it would seem from the optimistic opinions expressed that Mr. Portman is assured splendid support in his venture here. Upland merchants and others have long wanted a first class theatre showing the latest and best sound pictures and this desire will undoubtedly be realized when remodeling and installation of equipment is completed at the Colonial. The community are awaiting the opening date with much interest.

Whiteleys To Leave For Tour of Nation

Clyde Whiteley, Pacific Electric and Southern Pacific agent here, will leave tomorrow with Mrs. Whiteley on a tour of the nation.

From here they will go to Vancouver. Other stops will include Chicago, St. Louis and places in Arkansas. Mr. Whiteley is taking this opportunity to take his 1930 vacation.

Herbert Hall, relief operator, and John W. Tate will be in charge of the service during Mr. Whiteley's absence.

200 Waltonians Will Be Here For Meeting

More than 200 members of the Izaak Walton league are expected here May 19 when the Orange Belt council of the organization will meet in The Sycamores.

While no special business is scheduled to come up for discussion, F. H. Manker, president of the Old Baldy chapter, is preparing to entertain a large number of sportsmen from as far east as Blythe and as far south as San

CITY EMPLOYES TO REMAIN UNCHANGED

Manley Places Men in Charge of Departments; Sawyer Sees No Change

Coming in of a new city council means nothing to the city employes as indicated by the line-up of the personnel today. No changes have or will be made in the personnel of city employes, Richard G. Manley, city service manager, and Chief of Police J. F. Sawyer, said.

Mr. Manley appointed department heads in his departments and will give the men responsibility in handling their tasks. Ted C. Combs will have the title of building inspector and will include in his work inspection of buildings, electrical equipment and plumbing installations. He will also assist Mr. Manley in various phases of the city engineering work.

C. W. Francisco is in charge of the city parks, including the Euclid avenue parkway and San Antonio community park.

W. E. Esters will be in charge of the water department and J. E. Paquin will be head of the street department.

Miss Helen Hilty will remain as secretary in the city offices.

Chief Sawyer explained that his men will continue to perform the same work as they have and that no changes in personnel will be made.

Splendid Pictures of Architecture To Be Shown Sunday

A showing of pictures that should be of interest to every member of the Upland Methodist church, as well as any others who enjoy a study of architecture, will be made at the service at the church at 7:30 Sunday evening.

There will be a large number of lantern slides showing especially fine pictures grouped under the heading "Building the House of God" and just at this time when the members are thinking of a new church building, the pictures will be of particular interest.

Various types of church architecture will be shown, including the old English Gothic, the Colonial, the early American frontier type and several of the modern types of church buildings. Some suggestions of the plans being considered for the new local church also will be shown.

All members of the church and any others interested are cordially invited to see the pictures.

GRAY NAMED CITY ATTORNEY; OTHER HEADS RE-ELECTED

Resident Attorney Accepts Council Offer; Swing Resigns

MANLEY GETS NEW TITLE

"City Service Manager" To Be Used to Denote Work of Engineer

Edward E. Gray, city attorney.
Richard G. Manley, city service manager.
J. F. Sawyer, chief of police.
Judge George R. Crane, police judge.

Such is the list of officers appointed by the city council last night.

Ralph E. Swing, former city attorney, submitted a written resignation and he was not at last night's meeting. Mr. Gray's name had been mentioned previously as a likely candidate for the post, in case the council had an occasion to select a new legal advisor.

Mr. Gray came to Upland early in 1929 from Astoria, Ore., where he had served as city attorney. He was also mayor of that city at one time and also served as president of the Astoria chamber of commerce. He selected Upland as his California home, leaving a large legal practice in the north.

Mr. Swing has served as city attorney for years and has been alert to further the city's interests.

Mr. Manley was re-appointed after serving the city for six years. His title was made "city service manager," grouping about half a dozen titles into the one.

The two pioneer city employes, Judge Crane and Chief of Police Sawyer, were re-appointed. When the city came officially into existence May 15, 1906, these two men were named to their posts, and have held them since then.

Absolute power over their departments was vested in Mr. Manley and Mr. Sawyer. These men will be held strictly to account for their departments, the council said in a motion.

Contests Planned For County C. E. Meeting Sunday

A communication from Frances Way, Bloomington, county press superintendent, announces the San Bernardino County Christian Endeavorers will meet on Sunday afternoon, May 4, at 2:30, in the First Presbyterian church of San Bernardino for one of the biggest and best rallies of the year. A splendid program has been arranged by the county president, Miss Margaret Miles.

The county elimination contest for the young people's quartet will be held. And the Intermediates, with Misses Helen Burnell and Pearl Swerdferger of Ontario in charge, will conduct their extemporaneous oratorical contest.

Another feature of the rally will be the divisional conferences of the lookout, prayer meeting, missionary and social departments.

A special award will be given to the society that has its entire executive cabinet present, and the attendance banner will be awarded to the society that has the largest percentage of membership present.

Air in City Water Is Being Eliminated

Air in the city water is there due to the performance of one of the city's pumps and efforts are being made by Richard G. Manley, city engineer, to change the equipment to eliminate the air.

Calls have been received by the city office as to the presence of the air in the lines. The air makes no appreciable effect in the meters and the people need not be concerned about the possibility of any increase in the monthly statements, Mr. Manley explained.

Nine 20-30 Members Will Go to Barstow

Nine members of the Upland 20-30 club will be in Barstow tomorrow for the district club convention and to back Ralph Sage in candidacy for district governor. Many are going from the Ontario club, it is reported.

Those going from here are Herbert Baer, Ned Thudium, Loraine Loch, Ralph Sage, Ernest Stone, Clark Roloff, Douglas Sage, Geo. Swindells and Jess Williams.

Committees Named For Council Work

City Council committees to serve during the present administration were appointed by Mayor P. H. McQuillen last night. The committees are as follows:

Finance—F. H. Manker, A. H. Johnson and William Atchley.

Water and sewer—F. C. Buffington, William Atchley and A. H. Johnson.

Streets and lights—Atchley, Buffington and Manker.

Police and fire—Manker and Atchley.

Library — Atchley and Johnson.

Parks — Atchley, Buffington and Manker.

Board of health—Dr. C. L. Emmons, Manker, Manley, Dr. A. L. Weber, Mrs. Mary Eckerman, G. A. Hanson. Fred Anderson and Fred E. Draper.

100 Feted at Elks' Dinner and Dance

More than 100 people were feted at the Elks dinner-dance in the Elks clubhouse, Ontario, last night.

Godfrey Andreas was chef and a chicken dinner was served, following which there was dancing.

DELAY NAMING OF PLANNING GROUP

Persons Eligible For Membership to Hear of Work To Be Done

It may be a month before P. H. McQuillen, mayor, names the city planning commission and in the meantime, there may be a public meeting at which an authority may speak and tell of the work and possibilities of such a group.

Mr. McQuillen suggested such a procedure at the meeting of the city council last night. It was also suggested that a special meeting of local citizens be held at which time various persons eligible to be a member of the commission be present and learn of some of the things that will be expected of the group.

Several months ago first steps were taken to bring about the organization and since then many problems have arisen and are waiting for the attention of the proposed commission. Zoning as regards the outlying stores, changing some of the street names and re-naming the thoroughfares in a definite plan, and handling of the proposed Mexican subdivision are some of the problems facing the group.

CLEAN-UP WEEK TO START ON MAY 19

All Property Will Be Clean by End of Period Is Plan of City

Week beginning May 19 is to be the city's annual clean-up period, with an intensive drive planned to make every part of the city free of weeds and rubbish.

Richard G. Manley, city service manager, suggested the dates at the council meeting last night. During that week, city trucks will be available in hauling away rubbish and refuse. A definite route for the trucks on the various days may be made by Mr. Manley.

Notices will soon be placed on weed-covered lots, directing the property owners to clear the property. If the property is not clean by May 19, the city will do the work and make a charge on the tax bills, according to the plan.

5 Seek Postmaster Job at Cucamonga

Competition is keen for the position of postmaster at Cucamonga, with five aspirants for the four-year job. An examination was conducted in San Bernardino this week and any of the three highest are elegible for the appointment, which will come from President Hoover within a few weeks. The position carries a salary of $1800 a year.

The five aspirants are Mrs. Sarah Shaftsall, A. C. Beattie, Mrs. Bonnie K. Stafford, Mrs. Millie Bonillas and Mrs. Fred Austin.

LATE RAIN BRINGS SEASON'S TOTAL TO 3-YEAR RECORD

Rain Starts Falling Tuesday Night; Storm Total Now 2.24

LOCAL RECORD IS 16.19

Camp Baldy Gets 3.34 Inches During This Storm, With Season Total 24.47

A splendid, slow rain, which has fallen intermittently since early Tuesday night, has brought Upland's season total to the highest figure in three years. The record up to noon today as kept by J. R. Johnston on Twenty-second street, now reads:

Storm	Season to date	Last year to date
2.24	16.19	15.

Coming late in the season when many people had decided the rains were over, the storm seemed all the more welcome and will do a vast amount of good. The rainfall is general, not only in the San Bernardino valley, but throughout Southern California.

As was the case in all the rains this year, the present rainfall has been slow with very little run-off and an excellent season has resulted.

At Bear Canyon and Camp Baldy the rainfall for the storm is 3.34 inches, bringing the season total there to 24.47 as against 25.62 for last season.

Although considerable snow has fallen on the higher mountain peaks, there has been no snow in the canyons during this storm.

Leigh Thompson Will Be Back Sunday

Returning from a visit with his mother and from the national convention of the Izaak Walton League, Leigh Thompson, with Mrs. Thompson, is expected to arrive in Upland Sunday.

While Mr. Thompson was in Chicago attending the convention as a delegate from the Orange Belt Council Izaak Walton league, Mrs. Thompson visited in Texas. Mr. Thompson planned to join his wife and his mother for a short visit before returning here.
Diego.

3 Upland Students in Scholastic Role

Three Upland students will receive the highest possible scholastic honors from the California Scholastic Federation. The students will receive a gold pin and have the federation seal placed upon their diplomas.

To receive such an honor, the students have had to be members of the honor society during two-thirds of their high school course. The students are Brooks Kitchell, Josephine Haldeman and Frances Dundas.

VILLAGE GOSSIP
By the Mayor

Seated at the Breakfast Club this morning our overstuffed alderman and grocery specialist by the unusual name of Johnson—offered—through his influence to get the entire five members of the city council jobs driving delivery trucks for Nutt Bros.

This proposition was given serious consideration last night by the City Dads—who finally decided—after a heated debate—that they were not that kind of cookies.

Glenn Atwood—our undernourished president of the chamber of commerce and brand new fire chief—would be just en-na—get-tic enough to claim that we couldn't qualify for the job anyhow—"Who wants a cookie—half baked?????"

* * *

Easiest thing in the world to find out what our citizens want. A nice new park—an Eifel Tower, a public skating rink, carnations on Euclid avenue, and a public bathing beach in San Antonio park.

That's what Castoria Manker—the chairman of the finance committee, says we're going to give 'em—besides fifteen new and stimulating shades in wall paper—a left-handed fountain pen for the city clerk—and—reduce the tax rate at least fifty per cent.

What more could anyone ask?

Aren't We Mortals Queer, Anyway?

One of the good readers of the Upland News handed us a couple of pictures which had been clipped from an eastern newspaper and sent to her by a relative or friend. One of these showed the damage done by the cyclone which visited a section of Los Angeles and vicinity some weeks ago.

Part of the comment under the picture says: "The twister marked the climax of a record breaking rain, snow and hail-storm that swept Southern California for two days."

Under the other it was noted: "Folks at Big Pines recreation camp in the San Bernardino mountains are digging out of the heaviest snowfall that camp has seen in eight years. The snow is five feet deep on the level and fifteen to twenty feet deep in drifts."

Now—isn't that just like folks "back east?" Apparently they are led to believe that for two days all of Southern California was terrified by wind, rain, hail and snow. Whereas, the fact is that the cyclone covered a very small area, likewise the hail, and practically the only snowfall was in the high mountains. Upland, lying at the foothills of a high range of mountains, perhaps got as much snow as any town, this disappearing almost as soon as it fell. Likewise, exaggerated accounts of earthquakes are spread throughout the country. This lady, when asked by eastern friends if she was not afraid of the California earthquakes, replied that she had come here to get away from the cyclones of the east.

However, isn't it a fact that people of each section magnify the bad features of the sections in which they do not live? Californians who read of the storms in the middle west and east know that as a rule these conditions do not cover a vast area, but are more often than not confined to a small section. Most of us know that because we have lived there.

Folks of other parts of the country should know that there is very seldom a cyclone in Southern California and that the only places where there is ever any snow of any consequence is in the high sections of the mountain ranges, where there is very little, if any, population. They should also know that these snows are eagerly welcomed on account of the water they furnish and that they are often of much more value than a big rain. They are also welcomed for the winter sports they furnish and attract many thousands to the mountains.

The folks of all sections should realize that no one part of Uncle Sam's vast domain has all the good features of climate and other things—but of course Southern California comes nearer having a monopoly on them than any other section.

—O—

And we are able again to say "I told you so." This newspaper has previously said that people are getting away from the habit of wanting to go to the congested centers to shop. A recent survey in New York agrees with us. Comment in this survey says: "There is, unfortunately, a feeling among some merchants that congestion of traffic on the streets on which they front is an asset to their business. It is believed and hoped that any such assumption is rapidly being proved false and that merchants are awakening to the fact that the average motorist prefers to do business at points which he can reach without getting into traffic jams which will cause great inconvenience, delay and possible accident."

Smoking not only is prohibited in the national forests during the dry weather period, but also on county lands where there is danger of brush fires, is a "pre-season" warning of the state-wide "Stop Forest Fires" Committee.

Many residents and visitors are under the impression that the use of cigarettes, cigars and pipes is prohibited only in the national domain, when in fact Los Angeles, San Bernardino and other counties in Southern California having mountain areas have laws against smoking during the dry season.

It is pointed out that the dangers from smoking are just as great in county land during the summer as they are in the national forests, and that strict enforcement of this prohibition is necessary.

Since January 1 the United States government has deported about 5000 aliens for various infractions of our laws. This is a sharp warning to any aliens who think they can come to this country and do just as they please, that there are some limits to freedom even in a free country. The United States gives these people a better chance than they ever had anywhere else. It seems a most ungrateful thing for any of them to turn around and show contempt toward the laws of the land that gives them this opportunity. The majority of aliens in our country are hard working people who are doing the best they can, and such ones are welcome, but not those who attempt to defy our government.

Other Editors' Ideas

Why Change the Locale?

Redlands Facts: Banning has "discovered" that Ramona and Alessandro lived in that neighborhood and that Alessandro was killed in a canyon nearby. It is rather difficult to understand why such claims are brought forward. Even if there were some semblance of truth in the tale common courtesy should leave the story undisturbed unless there were more to substantiate it.

There are scores of ranchers in the Hemet, San Jacinto and Rawson valleys who recall these characters. They recall also Helen Hunt Jackson when she sojourned in the valley gathering material for a story that is considerably fictionized. Sam Temple, "Jim Farrar" in the story, killed Juan Diego (Alessandro) in San Jacinto township, as the docket of Justice Tripp will show in its scrawling record of many years ago. There is an "inside" story to the legend woven by Helen Hunt Jackson, but the locale is well established and seldom disputed by those who have given it any honest consideration.

A Worthy Effort

El Monte Herald: The chamber of commerce's drive to eliminate peddlers from this city by posting "No Peddlers" stickers at the home of each member, is a worthy one.

It is intended not only to aid the merchants, but also for the protection of El Monte citizens.

Secretary C. S. Ranger points out that hundreds of dollars are spent every year for defective merchandise by housewives, whose natural distrust of peddlers is lulled into oblivion by the glib-talking salesman.

It is only after the peddler, who pays no taxes and has no interest in this city, has departed that the "solid gold" article turns out to be brass, and the apparent bargain looms up as an expensive purchase.

With one of these stickers confronting the peddler at every home of a chamber of commerce member, solicitors should in time learn to leave this city off their itinerary.

How To Be a Hero

Hemet News: When Lindbergh flew to Paris his acclaim was not inspired so much by the fact that he had flown across the Atlantic but by the fact that he was the first to do it.

Witness the flight of three men to Bermuda yesterday. The flight was a dangerous one, over water, and it took skillful flying to accomplish it. Yet it was a matter of little importance in the day's grist of news. The men who accomplished the feat will be forgotten tomorrow.

Lindbergh will be never forgotten.

To be a hero these days one must not only be courageous but he must also be punctual.

TEN YEARS AGO

Mr. and Mrs. W. H. Andrews, Mrs. Alice Erixon and Miss Doris Ward, motored to Lytle creek the first of the week and enjoyed a jolly picnic.

Henry Harms of Pomona, head of the commercial department of the Hotpoint plant, has purchased the W. G. Jackson property on Ninth street and will move to that place.

Councilman and Mrs. Whitney and children and Mr. and Mrs. S. Earle Blakeslee and son started to Palm Springs the other day. En route the car stalled in deep sand several miles from nowhere. They could not turn around and no one came along, so the party camped on the sand over night. Next day they were pulled out by a Fordson tractor.

Mrs. Nellie Kilgore Sprague of Colton is spending a few days with her daughter, Mrs. Ramige, and is looking after her Upland property.

F. T. Harris of San Bernardino, architect for the Eighteenth street school, was in Upland on business yesterday.

Mr. and Mrs. James Paulin are now nicely located in their new home on Third avenue, all belongings having been moved there—except the chickens. When Mr. Paulin returned to his former home to fetch the flock all but one had fled.

Charley French has opened a new meat market in the Ruedy building on Ninth street.

Mrs. Rose Gamble of Fayzette, N. D., has arrived for an indefinite visit with her brother, W. J. Adsit.

Miss Aurelia Harwood and Paul Harwood had the thrilling experience of riding through the air to an altitude of 25,000 feet. The trip was made from Beverly Hills.

G. H. Clem and Harry Cook have leased the big garage on State highway owned by W. B. Harvey.

W. F. Cooper has sold his garage at Tenth street and Second avenue to S. P. Holliday of Monrovia.

Mr. and Mrs. Fred Schoville, who have been stopping at the De Luxe hotel in Long Beach, have concluded a visit here with Mrs. Schoville's brother, De Forest L. Walton, and Mrs. Walton, and have left for their home in Chicago.

Mr. and Mrs. G. B. Bower have as guests this week their son-in-law and daughter, Mr. and Mrs. Orville Lee of Pasadena, and their niece, Mrs. De Maderas of Porterville.

FOURTEEN YEARS AGO

Concrete has been laid on Mountain avenue as far north as Nineteenth street and the work soon will be completed to Twentieth street. A. Podrasnik appeared before the city council last night and appealed for improvement of the street into San Antonio canyon. The council ordered the work done.

The Frances Paul Girls are making plans for the annual May festival and last night the council gave permission for them to use the lawn about the city hall and library.

Mrs. Bathurst Bellers Mann was re-elected to the presidency of the Woman's Guild of St. Mark's Episcopal church at the annual session at the home of Mrs. E. B. Clark. Other officers elected are Mrs. G. A. Hanson, vice-president; Mrs. Ralph N. Leahy, secretary, and Mrs. James M. Webster, treasurer.

The Korean boys of the city gave a reception in honor of Mrs. W. B. Stewart in the parlors of the Presbyterian church. About 100 members of the church were present. The boys gave a splendid program and served tempting refreshments.

The Philathea class of the Methodist church gave a farewell reception yesterday evening for their former teacher, Miss Capitola McClair, who will leave soon for Washington. Attending the reception were R uth Riley, Hazel Thornton, Clara Bussey, Ruth Young, Elizabeth Fossett, Blanch Wright, Amy Wright, Miss McClair, Gertrude Estes, Ella Rasmussen, Agnes Davis, Iva Goodban, Eva Speck, Mary Harmon, Gladys Riley, Fannie Hollins, Maude Colborn and Hazel Wright.

When W. F. Kitchel cranked his car in front of Atwood's store Saturday night, the machine started backing up. It climbed the curb in spite of Mr. Kitchel's efforts, and ran into the plate glass window in the Mehl hardware store.

Dr. Wilbur H. Clark, osteopath physician and optician, and Mrs. Clark are again residents of Upland. Dr. L. V. Harvey will leave soon on his annual vacation.

Friends of Mrs. Bess O. Jones and family of Los Angeles are pleased to know Mrs. Jones has leased the Wallin home on Laurel avenue and soon will move to Upland.

W. R. Goerz is this week starting erection of a new home on Third avenue just north of the Westland residence.

Rev. R. C. Stone of the Presbyterian church has returned from San Francisco, where he gave the alumni address at the San Francisco Theological Seminary.

Rev. Charles Wentworth and J. J. Atwood left today for Little Bear to catch the rest of the fish in the lake.

ORANGE PLANT IS DAMAGED IN FIRE

Pectin Building, Ontario, Is Scene of Blaze; Loss Not Determined

Pectin plant of the Exchange Orange Products company, Ontario, is charred and partially ruined as the result of a rapid burning fire Tuesday night.

Finished products ready for the market, valued at more than $30,000 were on the second floor and valuable equipment was damaged, but the extent of the loss is not known, according to H. S. Bailey, manager. Insurance adjusters are at the blackened structure and it may be two weeks before exact amount of the loss is determined.

Fire started at 7:35 o'clock and by the time the nine employes in the building could rush to safety, the structure was in flames. Some thought an explosion preceded the blaze and others at the scene of the fire expressed the belief that alcohol that was being re-distilled had boiled over and caught on fire.

Hundreds of people were at the fire, not aware of the danger that lurked behind the flames. Two large tanks containing alcohol did not explode, but had the heat been sufficient, a blast would have been the result. Firemen's hose were directed on the tanks, heading off the fire.

The Upland fire department was called to assist, as was the Pomona department. The Ontario fire engines, however, handled the job, the two visiting departments being in reserve in case an emergency occurred.

Pectin is used in the making of jellies.

1927-1928 Operators Licenses Not Revoked

The Upland police department has received official notice that contrary to a previous statement, operators' licenses issued in 1927 and 1928 have not been revoked by the Division of Motor Vehicles, and no such action is contemplated this year.

Drivers licenses issued during those years are valid and will remain so until cancelled by the chief of the division, and ample notice of any change in the status of operators' licenses will be given.

CHAFFEY JUDGERS AT FINAL CONTEST

Three Teams in North For Semi-Finals; Winner Goes to Kansas City

In San Luis Obispo today for the state final stock judging contests tomorrow, three Chaffey teams were prepared to do their best and if they are successful, they will be entered in the national contests to be held in Kansas City this fall.

Chaffey's national title winners in the Kansas City meet last year are automatically eliminated from competing and the teams in the north are composed of men comparatively new in the task of final contests.

In the semi-finals at Fontana recently, the Chaffey stock judging team won first, this group including Robert Lutz and Arthur West of Upland, and James Riley, Horace Williams and Gilbert Tift.

The dairy judgers include Leon Hibbs of Upland, Fletcher Palmer and William Zyrd.

On the poultry team are Ira Rutledge, Steve Richtar and Stanley Van Fleet.

The teams left, with Charles A. Perrin, director of student projects, yesterday morning.

Final Auxiliary in District Soon To Be Organized

The Twenty-first district, Woman's Auxiliary of the American Legion, soon will be organized 100 per cent, it was announced today by the district president, Mrs. Ethel Marsh, who is making many visits to various places throughout the district this month.

Within the past two weeks Mrs. Marsh has organized auxiliary units in Arlington and in Seal Beach, there being a splendid charter membership in each unit.

Completing the 100 per cent district organization, Mrs. Marsh will go to Needles at an early date and organize the final unit there.

Wednesday night the Anaheim auxiliary held a membership dinner which was attended by Mrs. Margaret Kaeding, department president; Mrs. Gertrude Bailey, Fifth area president, and Mrs. Marsh, Twenty-first district president.

Woman's Auxiliary Plans Open House at Hospital May 12

Plans for the "open house" to be held at San Antonio Community hospital on Monday, May 12, are progressing nicely, according to those in charge, and a very interesting event is being looked forward to by members of the Hospital Auxiliary, which is sponsoring the affair.

The day is being observed throughout the nation as "hospital day" in honor of the birthday of Florence Nightengale.

Representatives of all the organizations having membership in the auxiliary are especially requested to announce the "open house" to their organization that the members may be reminded to attend.

F. H. Manker spent Monday in Los Angeles, going in on business for the firm of Manker & Benson.

PRESIDENT'S TALK TO BE BROADCAST

Hoover to Open Convention of American Red Cross on Monday Morning

An announcement of much interest to Red Cross members here is that the welcoming remarks to be made by President Hoover in Washington, D. C., Monday morning, May 5, at the opening session of the national convention of the American Red Cross, will be broadcast over the networks of the Columbia and National systems. Mr. Hoover will appear in his capacity as president of the national Red Cross.

Secretary of the Interior Ray Lyman Wilbur has been added to the list of distinguished speakers who will appear at the convention, which convenes in a four-day session. He will address the special session of the Junior Red Cross on May 6. The Junior delegates, mostly from high schools, will take an active part in the convention.

Class in Astronomy to Visit Mt. Wilson

A number of members of Dr. Larkin's class in astronomy are planning a visit this evening to the Mt. Wilson observatory, where they will have the privilege of studying the stars through the famous 100-inch telescope lense.

This class, mostly adults from various points in the Chaffey district, began studying astronomy under Dr. Larkin last November, the course being completed in April. There were approximately 75 members in the class, but only a part of these plan to make the trip to Mt. Wilson.

Among those going from Upland will be Mrs. Gertrude Thudium, Miss Lillian Williams and Mr. and Mrs. H. B. Hamilton.

Mrs. Thompson Entertains at Bridge Luncheon—

As a delightful courtesy to Mrs. Schnabel of Pittsburgh, Pa., who for some time has been a guest of her daughter, Mrs. Harry Yahres and who will leave the first of June for her eastern home, Mrs. C. N. Thompson was hostess Wednesday at her home on Wilson avenue, entertaining with a bridge luncheon of lovely springtime appointments.

Spring flowers in various pastel shades were used in the floral decorations, while the table and bridge appointments also were dainty reminders of the springtime season. A luncheon of delicious menu was served.

Bridge provided a pleasant diversion for the afternoon, the guests also finding time for merry chatting. Score prizes awarded at the conclusion of the games were won by Mrs. Charles Coe, first; Mrs. Jay Baird, second, and Mrs. Frank Van Natta, third, consolation prize going to Mrs. Sanford Ballou.

Guests invited to share in the pleasure of the afternoon with Mrs. Thompson were Mrs. Schnabel, Mrs. Frank McKenna, Dr. Lillian F. Baxter, Mrs. Jay Baird, Mrs. Charles Coe, Mrs. Harriet L. Gray, Mrs. Harry Yahres, Mrs. Florence Marshall, Mrs. H. H. Thomas, Mrs. William Mason, Mrs. John D. Howe, Mrs. Harlow S. Wilson, Mrs. Kenneth I. Hanson, Mrs. Sanford Ballou, Mrs. Earl W. Paul, Mrs. Webster Thomas, Mrs. Frank Van Natta, Miss Jane Chandler, Mrs. Frank J. Holmes, Mrs. Barnett and Mrs. George T. Stamm.

Mrs. Jorgensen Entertains Club Executive Board—

Mrs. Lucy H. Jorgensen was hostess Tuesday evening at her apartment, 458 First avenue, to members of the executive board of the Upland Business and Professional Women's club when they held their April meeting.

Mrs. Margaret Harris Wright, club president, presided during the brief business meeting, at which the routine business, such as allowing bills, hearing the reading of communications, etc., was transacted.

Owing to the inability of some of the members to be present, reports of the nominating committee and the program committee for the club meeting on Tuesday, May 6, were not made, but these matters are being given careful attention by the committees.

At the close of the board meeting, Mrs. Jorgensen served most tempting refreshments and the members lingered for some time enjoying a social hour.

Attending the session were Mrs. Wright, Miss Helen Hilty, Mrs. Vernon V. Paine, Miss Linda Schmidt, Miss Elizabeth Fossett, Mrs. Lottie Fuller, Mrs. D. M. Thrash and Mrs. Jorgensen.

N. E. W. Circle Enjoys Luncheon Meeting Thursday—

With Mrs. John Swoap and Mrs. L. F. Williams as co-hostesses, the N. E. W. Circle of the Methodist Ladies Aid held a very enjoyable meeting Thursday afternoon at the home of Mrs. Jay Rogers on West Tenth street.

A delectable luncheon was served at the noon hour, the clever May-day decorations being especially attractive. The guests were seated at several tables, all with pretty floral decorations, and a large table in the center of the group bore a May pole from which radiated rainbow colored streamers, on the end of which were attached lovely little nosegays as favors for the guests.

Following the luncheon the business meeting was held, Mrs. F. B. Harn, president, presiding, and devotionals were led by Mrs. H. J. Stickney.

During the remainder of the afternoon the time was devoted to piecing on quilts the circle is making.

There was an attendance of 20 at the meeting, including Dr. and Mrs. James A. Stavely and Mrs. Alice Erixon.

Friends Celebrate Birthday of Mrs. Isabel Foster—

Several friends gathered at the home of Mrs. Isabel Foster on West Ninth street Wednesday afternoon for a surprise visit on her birthday. Although it was a rainy day, the rooms were bright with bowls of lovely sweet peas and the guests found it quite easy to pass a merry afternoon. Concluding the pleasant party delicious refreshments were served.

Those helping Mrs. Foster celebrate her birthday were Mrs. Mattie Smith, Miss Amoret Craig, Mrs. Perrin, Mrs. J. M. Banning, Mrs. H. M. Tuttle, Mrs. Nellie Hofman, Mrs. S. E. Spicer, Mrs. S. G. Moore, Mrs. M. Foster and Master Burton Foster, small grandson of the family.

May Dinner Meeting of B. and P. W. Club—

The May dinner meeting of the Upland Business and Professional Women's club will be held in Crowell hall Tuesday evening at 6:30.

At this meeting the nominating committee, which includes Mrs. M. H. Bailey, Mrs. F. H. Manker, Miss LeOla R. Lee, Mrs. A. E. MacLaren, and Mrs. Una R. Winter, will present the proposed list of officers to be voted on at the annual election to be held at the June meeting of the club. The members will be requested to study the list presented and be ready to vote at the election. Nominations also may be made from the floor at the time of election.

Mrs. Garbutt Head of County Federation

Mrs. Ross P. Garbutt of Ontario is the new president of the San Bernardino County Federation of Women's clubs, being elected at the seventeenth annual convention held in Rialto Tuesday. Mrs. Garbutt succeeds Mrs. B. F. Warmer, also of Ontario, and will hold office for two years, in accordance with a change made in section one, article three, of the county federation constitution calling for a biennial election in place of an annual election. The change was made at the request of Mrs. Marcus W. Robbins of San Diego, Southern district president, who explained the advantages of having the county election conform with those of the district and the state.

Officers elected to serve with Mrs. Garbutt are Mrs. H. J. Wilder of San Bernardino, first vice-president; Mrs. Mabel Garver of Barstow, vice-president at large; Mrs. George Castle of Grand Terrace, treasurer, and Mrs. T. J. Penfield of Colton, auditor.

Mrs. B. F. Warmer presided during the meeting. Reports of the county officers, chairmen and club presidents were read and two other changes were made in the constitution, setting June 1 as the date for the new officers to take office, and providing for five members on the nominating committee, one to be appointed and four elected.

Mrs. Oda Faulkner, state chairman of legislation for the California Federation of Women's clubs, was the speaker of the afternoon, her theme being state laws which affect property rights of women and the necessity of women performing their civic duty by voting.

The Rialto Woman's club, as hostess, presented a delightful musical program and at the noon hour a charming luncheon was served. The auditorium and lobby of the clubhouse were attractive with handsome floral decorations.

Among the members of the Upland Woman's club attending the convention were Mrs. Una R. Winter, president of the club; Mrs. W. F. Goodban, county chairman of literature; Dr. Lilliam F. Baxter, county chairman of juvenile delinquency; Mrs. Edward E. Gray and Mrs. Nora M. Eells; Mrs. A. C. Reynolds, of the Shakespeare club, and from Cucamonga, Mrs. E. S. Bishop, county press chairman, and Mrs. E. R. Hively.

Members of the Solano Guests of Mrs. Schaffner—

Members of the Solano club enjoyed the hospitality of Mrs. W. T. Schaffner Wednesday afternoon when she entertained with a delightful luncheon and afternoon program at her home on West Seventeenth street, being assisted by Mrs. C. S. Kelley.

Attractive table appointments and floral decorations of lovely roses added to the pleasure of the luncheon hour when a delectable menu was served.

During the afternoon the guests were employed for a time with their needle work and indulged in much merry conversation. Beautiful piano numbers were contributed by Mrs. William Littlewood and Mrs. C. S. Kelley delighted the guests with clever readings. The telling of riddles and humorous incidents also proved a pleasant diversion.

Those enjoying the afternoon with Mrs. Schaffner were Mrs. J. B. Goodrich, Mrs. Mary Eastlack, Mrs. Toerpe, Mrs. Elizabeth Rodgers, Miss Huse, Mrs. D. Lambert, Mrs. Oscar Gaither, Mrs. Frank C. Buffington, Mrs. L. E. Moser, Mrs. P. J. Moser, Mrs. William Littlewood, and Mrs. C. S. Kelley.

The F. B. Harns Help Celebrate Wedding Anniversary—

For the purpose of helping Mr. Harn's brother and sister-in-law, Mr. and Mrs. A. B. Harn, celebrate the thirtieth anniversary of their wedding, Mr. and Mrs. F. B. Harn went to Southgate Sunday and were guests in the Harn home. Others present were Mr. and Mrs. Ed Martin, son-in-law and daughter of the A. B. Harns, and Mr. and Mrs. John Ivan Harn of South Pasadena.

A delicious turkey dinner was enjoyed and the relatives spent a very happy day together.

Woman's Club May-Day Party Charming Social Event

With the welcome rain only emphasizing the brightness within, the May day party given Thursday afternoon at the clubhouse of the Upland Woman's club, was a lovely affair; in fact it was declared by many to be one of the most charming parties that resourceful club has ever enjoyed.

The club rooms were literally transformed into a colorful and fragrant flower garden. In the center of the auditorium stood a large May pole, its base banked with ferns and Shasta daisies and from its tip which reached nearly to the ceiling beams, there radiated in rainbow effect ribbon streamers in all the pastel shades. These streamers were attached to large baskets of lovely pastel-colored flowers which were placed on the floor about the pole.

Other huge baskets of flowers were placed throughout the rooms and on the stage, completing the garden effect.

A most delicious four course luncheon was served at daintily appointed quaret tables and each table was centered with a small beautifully arranged May basket.

The afternoon was spent about the bridge tables, five handsome prizes being the goal of the players. The winners were Mrs. Ben H. Strother, room prize; Mrs. B. F. Hess, second; Miss Mina Ruesink, third; Mrs. H. O. Blohm, fourth, and Mrs. Reid Williams, fifth.

A number of tables were reserved by hostesses taking advantage of the opportunity to extend courtesies to their friends, hostesses for the larger parties being Mrs. L. R. Parkin of Alta Loma and Mrs. W. E. Morse of Cucamonga, four tables; Mrs. Claude P. Mengle, two tables; H. E. O. club two tables. There was a total attendance of about 100 guests.

Aside from the social feature, the party was quite a success financially, it being given by the ways and means committee of the Woman's club, Mrs. C. W. Hawks chairman, as a benefit for the club treasury.

East Side Circle Meets at the Bacon Home—

The Rev. and Mrs. Joshua Bacon were hosts Thursday at their home on Campus avenue to members of the East Side circle of the Methodist Ladies Aid.

A very interesting business meeting was held, some time being devoted to discussion of plans for the circle. Later a social hour was enjoyed and refreshments were served from a table that was beautifully decorated with a large bowl of lovely red amarillys and red geraniums.

Attending the meeting were Mrs. Alice Erixon, Mrs. M. J. Roberts, Mrs. Browning, Mrs. Thomas Settle, Mrs. A. H. Johnson, Mrs. Scholtz of Victorville, Mrs. R. G. Manley, Mrs. Thomas, Mrs. Jas. A. Dinger, Mrs. H. A. Cooley, Mrs. U. S. Standlea, Mrs. A. H. Stull, Miss Charity Hayden, Mrs. David Bradfield, Mrs. Homer Haughs, Mrs. Irving, Mrs. Hemmel, Mrs. A. J. Betz and Mrs. Henry Harms.

Mrs. Hawkinson's Study Class Meets Friday—

Mrs. H. W. Hawkinson's study class will meet this afternoon, the lesson session beginning at 3:20. The class has been studying Dante's "Divine Comedy," and today's lesson probably will conclude this course.

New Jersey, Delaware, Maryland

All who ever lived in New Jersey, Delaware or Maryland are invited to their jolly picnic reunion Saturday, May 10, in Sycamore Grove park, Los Angeles. They have arranged for a separate section for each state and will supply county registers, hot coffee, silk badges and program.

Church Societies to Meet; Pioneer Women as Guests

The women's organizations, the missionary society and the Ladies Aid, will meet in all-day session at the Presbyterian church Tuesday, May 6.

While this is a regular meeting, there will be a special feature which has become an annual affair, the entertaining during the luncheon hour of the pioneer women of the church, who will be seated in a group at a specially arranged guest table.

The Ladies Aid will hold a business meeting in the morning beginning at 11 o'clock.

The Woman's Missionary society will meet in the afternoon, a brief business session being held at 1:30 and the program beginning promptly at 2 o'clock. Several musical numbers will be given and a playlet, "Thanksgiving Ann," will be presented.

The Frances Paul Girls and all other women of the church are cordially invited to attend any or all of the sessions. Each one attending is asked to bring her own lunch, except those who are invited as special guests.

Beulah College

The students and teachers are enjoying another day of school today instead of the anticipated school outing at Fairmount park. The inclement weather has made it impossible to spend the day there. We hope that in the near future the park will become dry enough to make it possible for us to enjoy a day's vacation at that place.

Pretty little May baskets were found by the college sophomores outside their doors early May 1. They were placed there by the college freshmen, who contrived this unique way of inviting the sophomores to a reception to be given in their honor at Alpha hall may 9. The baskets were filled with sweet peas and among the flowers were written the invitations.

Misses Ada Kauffman and Helen Markley, who are traveling to Kansas by automobile, have the rare opportunity of being escorted by motorcyclists, brothers of Miss Kauffman, who lead the way and bring up the rear. The group left Upland yesterday morning and will no doubt attract attention along the way as they travel in this manner. The departure was witnessed by a number of their friends, who regretted seeing them leave. Miss Markley will be missed by the Beulah college students who knew her as a college sophomore last year.

Wanted—Women to Sew Ready Cut Red Cross Bed Jackets

The Upland public library presented an appearance more of a Red Cross sewing room during the war than a library on Wednesday morning when the Upland Chapter, American Red Cross, executive board, held a business session, Mrs. W. B. West, president, presiding, and some time being devoted to cutting out bed jackets which are included in Upland's quota of articles to be made.

Using the long reading tables, which were cleared of all traces of sewing before the library was opened in the afternoon, Mrs. Harry W. Flowers, Mrs. T. M. Nichols and Mrs. A. J. Colgan were busy during the morning cutting out the bed jackets.

There are 15 of these jackets to be made and the assistance of anyone who will sew up one or more of these garments will be greatly appreciated. Those willing to help with the sewing are asked to notify Mrs. Flowers.

John Nafius, 419 Third avenue, is recovering nicely from a major operation he underwent on Wednesday at the San Antonio community hospital.

Mrs. Jessie Gray Patton was a guest a few days ago at the home of Mrs. H. M. Tuttle, 509 Euclid avenue. Mrs. Patton and Mrs. Tuttle formerly were friends in Iowa.

Mr. and Mrs. Nicholas W. Bryan have come from El Centro and have taken over the management of the College Heights service station at West Ninth street and Central avenue.

Mr. and Mrs. C. H. Burns of Monterey Park, brother-in-law and sister of Ed Dickerman, were guests at luncheon Wednesday of Mrs. Bess K. Grisham at her home, 597 First avenue.

Mrs. N. F. M. Harris of Eighth avenue has returned from Pasadena and will be at her home for a few days prior to leaving on a trip, which will probably take her to the northern part of the state.

Never before have the Reynolds-Harnish Dry Goods Co. shown such a wide variety of Piece Goods, large assortments in Silks, Rayons and Cottons, at prices to suit everyone. Big Birthday Sale starts Friday, May 2. 102-1

Emerson Graves, the florist, who was severely injured in an automobile wreck the latter part of December, is now practically recevered and is able to be at his office again. Mr. Graves says the kindly attentions and good wishes of his friends during his illness were deeply appreciated.

The Reynolds-Harnish Dry Goods Co. have just completed another most prosperous year. We realize that this success would not have been possible without your assistance. That's why we are inviting you to the great Birthday celebration to share in the Bargains that are to be found here, to save money on your necessities. We thank you—and invite you to come, one and all. The sale will continue through Saturday, May 10. 102-1

Mr. and Mrs. Will McMillin, son-in-law and daughter of E. A. Holt, and their son Everett, who have spent the past year in Wilmington, were guests for a week of Mr. and Mrs. Holt before leaving for their home in Denver. They are motoring through in company with several relatives, who also spent the year in Wilmington.

Walter Bell, nephew of Mrs. Mark H. Bailey, and his friend, Harold Iseberg, both of Enid, Okla., arrived Monday at Mrs. Bailey's home. On Tuesday, accompanied by Mrs. Bailey, they went to Pasadena, where they were joined by Mrs. W. W. Campbell, also an aunt of Mr. Bell, and the day was spent sightseeing at Venice and other beach cities. Wednesday the two young men made a trip to Catalina. They will be here about ten days before continuing their vacation motor trip.

Mrs. W. E. Neuenschwander of Pasadena was a guest Thursday of Mrs. Oscar Gaither, her cousin, and with her hostess she attended the May-day bridge luncheon given by the Upland Woman's club.

Among those from Upland who attended the big "stunt night" banquet held in Riverside last night as part of the four-day patriotic convention, were W. A. Getty, F. E. O'Brien, W. E. Deam, John M. Hawthorn, and Chas. O. Rankin of Ontario.

Dr. and Mrs. Merton E. Hill left Thursday afternoon for Oakland, where they will make a brief visit with their son, Dr. Lowell Hill, who is practicing in an Oakland hospital. Dr. and Mrs. Hill went north to deliver a new Ford car which their son recently purchased and they plan to return by boat Sunday.

Pomona-Chaffey Game Postponed

All C. B. L. baseball games for this weekend were postponed today due to the rain, but there is little likelihood of the Southern California junior college track meet tomorrow being called off, Ernest W. Fischer said this afternoon. Commissioner Wilson has ruled that if the meet can be held under any possibility, the contest will precede despite the rain that might come.

Date for the Pomona-Chaffey ball game that was scheduled for this afternoon has not been set. Riverside and Redlands will play next Monday.

MANY INTERESTING BOOKS AT LIBRARY

New Volumes Put on Exhibit Table Today; Varied List Offered

Another lot of books is ready for the public at the library, going on the exhibit table today and into circulation Tuesday. Many books of late fiction may be found in the lot and some that cannot be called late. Murder, mystery, western, adventure, love, and one book of translated Russian stories, by Tolstoy, Dostoievsky, Turgenief, Gogol, Chekhov, Gorky, and many other Russian writers. This should be especially interesting to those who like to compare works of authors of a particular country. "An Army Without Banners" is a first novel, and is a story of settlement of Northwest Canada. "From the Sierra to the Sea," is a book of poetry by a California author and a librarian at that, Charles S. Greene. "San Min Chu I," a translation of the three principles of the people, by Dr. Sun Yat-Sen.

In the "Blue Steppes" the author gives a striking account of his long sojourn among the Russians in their own country, both during the hey-day of their glory, and in the dark days of tribulation.

"Japan in Silhouette" is a book presenting the life, literature and all beauty of Japan in a sympathetic and distinctive manner.

"Parents and Teachers" is a survey of organized cooperation of home, school and community, and will be of special value to P.-T.A. workers.

LIST OF APPROVED MOTION PICTURES

Many Recent Releases Found To Be Good by Club Review Board

One picture, "Song O' My Heart," is given unstinted praise by the motion picture review committee of the General Federation of Women's clubs in the list of pictures released for April. "Song O' My Heart," a John McCormack picture, is recommended for the entire family and for junior matinee. In commenting, the committee says that although the plot is not striking, the beauty and joy of the play cannot be described. McCormack's singing, of course, is the feature.

Other pictures listed as good for all the family are "La Marseillaise," story of the birth of the great French anthem; "Ladies Love Brutes," a social drama of real life and real people with a misleading title; "Free and Easy," clever musical farce; "Caught Short," a Marie Dressler and Polly Moran slapstick comedy; "Holiday in Store-land," children actors in Mother Goose stories, good junior matinee; "Baby Follies," musical revue in color; "Sobo, Dog of Dogs," family and junior matinee; "The Pirates," clever musical comedy; "Kiddies Revue," child's musical revue; "The Clock Shop," musical fantasy, good for junior matinee.

In a previously released list, the committee also marks an excellent, "Across the World," talking travelogue of great educational value and intensely interesting. Other family and junior matinee pictures are "Hunting Tigers in India," "Around the World via Graf Zeppelin," "Match Play," "Through the Death Deserts of Asia" is listed as excellent for the family but too mature for junior matinee.

CAMP BALDY

On next Saturday evening, May 3, the popular Camp Baldy Saturday night dance will be held at the Camp Baldy pavilion, where a fine dance floor has been constructed. These week-end dances, formerly held in the camp dining room, have outgrown the floor space and made necessary the construction of a larger and more convenient hall for the comfort of its guests. Dance music will be provided by Don Dressen's Camy Baldy orchestra. This new dance floor will be available to the public at all times and a new electric phonograph has been installed to furnish dance tunes. Extensive alterations have been made at the pavilion.

The opening of a miniature golf putting course will be announced by the Camp Baldy company within a month. The architect, Mr. Ryerson, is an old resident in the canyon and has constructed some fine courses in Long Beach, Hollywood and elsewhere. He states that the Camp Baldy course will be his masterpiece and the present indications are that his claim is justified.

F. Eulick, an expert accountant of Los Angeles, is residing in his cabin on Shaw drive and is prefecting himself on an advanced course.

Albert Wilson of Huntington Beach, connected with the Standard Oil Co. in that city, who has been recuperating in camp for the last six weeks, returned home greatly benefited by his stay. This was his first vacation in twenty years.

The fishing season will take C. A. Chapman and family to Hodges Lake when the season opens there Sunday.

Miss Dorothy Chapman, who has been custodian of the public library here for the past six months, has resigned. No one has yet been appointed to take her place.

Mrs. F. R. Quintaval is in Long Beach visiting Mrs. Harry Burnhill. Miss Nora Burnhill has many friends in Upland, having taught for two years recently in the Tenth street school.

Whit Cox, who rode in from Montebello two weeks ago, will ride home again in the near future with a new colt as an addition to his livestock family.

VARIED ACTIVITY TO BE DISPLAYED

Local Troops Will Feature Throughout Program on May 16

All scouts in Upland, Alta Loma, Cucamonga and Etiwanda and throughout the district served by the Old Baldy council are today preparing to participate in the annual Boy Scout rodeo at Pomona May 16.

Held alternately in Ontario and Pomona, site of the competition among the troops and display of scout activities this year will be on Pomona's new baseball diamond near the Los Angeles county fairgrounds.

Troops of Upland and vicinity will feature throughout the program, but principally in the scout engineering division, the local scouts will perform.

The program has been placed in 12 divisions and scouting activities in all their phases will be demonstrated. First aid treatment will be shown. "Some Fun from the Troop Meetings," is a heading for one division and Upland troop No. 3, along with three other troops, will participate in patrol games.

Etiwanda and Cucamonga troops will compete in a wall scaling contest under the division headed "Some Outdoor Scouting Activity." In this division also uses of the scout neckerchief and scout staff will be explained. Upland troop 3 and Pomona troop 6 will demonstrate fire by friction.

Signaling of all sorts will be included as follows: International Morse and semaphore, portable radio, smoke signals, heliograph, flashlight and whistle and searchlight signaling from the Pomona "P" to the fair grounds.

A court of honor will be also held.

"Making Things Hot" will include water boiling and flapjack flapping contests.

Mexican troops will present a demonstration.

Various types of camps will be demonstrated including yucca patrol camp, bicycle patrol camp, lean-to camp, and tent making with tarpaulin.

Upland troop No. 1 and Alta Loma troop will build a 20-foot signaling tower under the department of scout engineering. Upland troop No. 4 will build a tripod signaling tower, Fontana troop a scissors bridge, and Pomona troops a queen's truss bridge.

The closing event will include a serpentine assembly, Tulakes council fire scene, songs and taps, echoed and re-echoed.

The Upland American Legion and Legion posts in the district are sponsoring the event.

Sioner H. E. Wilson will be head judge of the finish.

Several Upland athletes will figure in the contest, according to this list of Chaffey entries: 100 yard dash, Harold Gillott; high hurdles, Earl Bryden; 440 yard dash, Virgil Holden; 2-mile run, Joe Geierman; 880, Victor Daniels and Howard Hawkins; 200 low hurdles, Earl Bryden and Zeke Keough; 220 run, Harold Gillott; shot put, Estler Milliman and Victor Daniels; javelin throw, Paul Whaley; discus, Estler Milliman and Victor Daniels; high jump, Zeke Keough and Chester Teague; broad jump, Zeke Keough and Chester Teague.

Compton is coming here 30 men strong with indications of capturing the honors. Fullerton, Long Beach, Pasadena and Santa Monica will also make a bid for the best the meet has to offer.

Legion Auxiliary Members Asked to Help With Poppies

There is work to be done by the Woman"s Auxiliary of the American Legion at the meeting to be held at 2:30 Monday afternoon at the Legion club house. The work, while very necessary, is also quite pleasant—that of unfolding the poppies made by the disabled veterans and attaching the stems.

The meeting will open with the regular business session presided over by Mrs. Thelma Kirk, president, and a short program will follow.

The greater part of the afternoon will be devoted to preparing the poppies, which will be sold on the annual Legion poppy day, and all members who possibly can do so are urged to attend and help with the work.

A. E. Warren Wins Rod For Limit in Fishing Thursday

A. E. Warren, 934 Elma street, Ontario, won the fishing rod offered by Roy Creighton's sporting goods store for the first limit of trout. After camping in Cucamonga canyon all night and after beginning his 1930 fishing activities at daybreak, Warren reported to Mr. Creighton shortly after 8 o'clock yesterday morning.

Several prizes are offered by Mr. Creighton, the first one being realized is the fishing rod. As the season progresses, the other prizes will be awarded.

James Cox, Twelfth avenue, and Lew Gray were also among the early birds in getting limits. The first limits were caught in Cucamonga canyon.

MRS. T. L. JOHNSON IS COUNCIL HEAD

P.-T.A. Group Holds Annual Election at Meeting in Upland

Elected at the annual meeting of Ontario Council, Parent-Teacher Association, held Tuesday afternoon at the home of Mrs. A. W. Burt in San Antonio Heights, Mrs. T. L. Johnson, 1455 East A street, Ontario, will serve the council as its president during the coming year. Mrs. Johnson, who for the past year has been publicity chairman for Ontario council and also president of the P.-T. A. of Lincoln school, Ontario, is an able executive and an untiring worker in P.-T. A. activities. She succeeds Mrs. M. L. Warne of Chino, who very successfully directed the council work last year.

Other officers elected to serve with Mrs. Johnson are Mrs. Frank L. Allen of Ontario, first vice-president; Mrs. W. B. Williamson of Fontana, second vice-president; Mrs. E. W. Parks of Ontario, for the past year publicity chairman for the council, secretary, and Mrs. F. L. Warburton of Upland, treasurer, re-elected.

Announcement of the appointive officers, including parliamentarian and publicity chairman, will be made at an early date by Mrs. Johnson.

Mrs. P. J. Filanc of Colton, who was recently elected president of the Fifth district, P.-T. A., and Dr. Ethel Peterson Sinotte, vice-president of the Fifth district, both of Colton, were guests at the council meeting and Mrs. Filanc brought greetings of the district to the council associations and made an enlightening address on "Child Welfare."

Response to the district president was made by Mrs. A. W. Burt, past district president. Mrs. Burt also called attention to the importance of the state convention of the California Congress of Parents and Teachers to be held in Riverside beginning May 5, and urged all members who possibly can do so to attend. A number of members from Upland and other West End associations are planning to attend.

Scheduled to be held in San Antonio park, the meeting was transferred to the home of Mrs. Burt because of the inclement weather, and was presided over by Mrs. Warne.

In Mrs. Warne's annual report she made the welcome announcement that the council membership is now 1318, one-fourth of the number being fathers. Ontario council has the largest membership in the Fifth district and is the only council making an increase.

As magazine chairman, Mrs. C. L. Emmons reported 100 per cent subscription to the Parent-Teacher magazine and in recognition of this record Mrs. Emmons and also Mrs. Warne will be privileged to occupy places of honor at the gold-star breakfast to be held during the state convention.

Mrs. T. L. Johnson, council publicity chairman, urged all associations to keep publicity books next year and announced a publicity course to be held at the Riverside convention.

Following the annual election, the new officers were installed by Mrs. C. L. Emmons.

At the close of the business meeting the Eighteenth street and Tenth street associations were hostesses during a social hour and refreshments were served.

Methodist Women's Societies to Hold Meetings Thursday

The two missionary societies and the Ladies Aid of the Upland Methodist church will hold an all-day meeting at the church next Thursday.

Mrs. Jas. A. Stavely will conduct the study hour for the Women's Foreign Missionary society, which will meet at 10 a. m.

At 11 a. m. the Ladies Aid will meet for a business session and at 12 noon the three organizations will join in serving luncheon.

With the Home and the Foreign Missionary societies uniting at 1:30 p. m., the Mite Box opening will take place. A group of women will give a demonstration, "The Mite Box," and special music is being planned. Closing the meeting, refreshments will be served.

Each member is reminded to bring her mite box.

Rain Ruins Chaffey Baseball Schedule

Rain wrecked havoc with athletics at Chaffey for the week end. After Chaffey jaysee and the San Bernardino Indians had just got started, Jupe Pluvius interfered and the game was postponed until Tuesday afternoon.

It was uncertain today whether Chaffey high and Pomona will clash on the diamond at Pomona this afternoon. The tennis meet between Chaffey and Pomona was postponed. Spring football practice had just gotten under way and it is temporarily called off.

HOME SITES AMID OAK TREES
OAK GLEN CLAREMONT

The only 5 acre tract in the City of Claremont with 21 fine large Oak trees, and many Sycamores. The soil a rich loam and leaf mold. Twenty years ago I sold this land to a local man who bought it intending to build a home on it, but business interests called him to Africa. There he sold this land to a wealthy man in that country, who came over to see the property and was so pleased with it, that he returned to Africa to dispose of his interests there. He sent me $55,000 to loan out till he could return, (many a home has been built in Claremont out of that fund), and he had plans made for the erection of a fine home, but before the contract was let he dropped dead in Africa.

This property is now about to be placed on the market for sale, in sizes to suit, but before the surveyors get to work I am instructed to invite inspection of the tract and to sell the same at attractive low prices.

SARGENT ELECTED LIONS CLUB HEAD

Sawyer, Cook, Combs, Thompson, Rogers Are Also Honored at Meeting

J. Emory Sargent is today president of the Upland Lions club, he being elected with a slate of new officers at the meeting of the group in The Sycamores at noon yesterday.

Mr. Sargent will succeed Fred E. Draper when the new officers take their positions July 1. By his election as head of the club, Mr. Sargent is automatically chosen a delegate from the club to the state convention at Stockton and the international club convention at Denver.

J. F. Sawyer, chief of police, was named first vice-president, and Harold W. Cook was chosen second vice-president. Other newly elected officers are Noyes Thompson, lion-tamer; Ted C. Combs, tail-twister, and Francis Rogers, director. All the other officers will serve on the board of directors, along with Floyde Atwood, who is the hold-over director. Secretary of the club is elected by the board of directors, J. Willis Mehl holding this office at present.

Delegates to the state convention at Stockton this month will be Mr. Draper, Mr. Mehl and Mr. Rogers. Mr. Draper and Mr. Mehl will be there to attend an officers' association meeting prior to the conclave. Mr. Rogers is chairman of the club's convention committee.

Mr. Sargent has served as vice-president of the club in previous years and his election to the leadership came in recognition of his past efforts.

Earl C. Thomas was a guest of the club and entertained with banjo selections.

Mrs. Manker Hears Noted Authors Talk

Mrs. F. H. Manker attended the Bookmen's Association meeting held at the Biltmore in Los Angeles last week. During the luncheon hour Upton Sinclair told why he had entered the publishers game; Mrs. Bartlett, co-author with her husband of "Adios!" told of early California life and illustrated her talk with early California songs, and Dr. Vance Joseph Hoyt, nature lover and author of "Silver Boy," told of his experiences at his cabin in Topango canyon with a fox and a racoon as companions.

5 Per Cent Gain in Building, Loan Groups in 3 Months

California building and loan associations increased their resources by $23,762,251.93 during the quarter ending March 31, 1930, according to figures just released by Charles A. Whitmore, building and loan commissioner, announcement of which was received by Don Palmer, of the Magnolia Building and Loan association.

This amount brought their total assets to $500,988,367.78, showing a gain of approximately 5 per cent for the three months period under conditions which have resulted in reduced development in many other lines of business.

Lucky Youths Get Free Cameras Here

George Eastman and P. H. McQuillen played host to more than a score of Upland boys and girls yesterday morning. Mr. Eastman is president of the Eastman Kodak company and Mr. McQuillen is agent for the concern here.

As an anniversary feature of the kodak company a limited number of cameras were presented to boys and girls whose twelfth birthday anniversary occurs during 1930.

The local allotment of cameras was insufficient to supply the demand and the distribution of the gifts here was a case of first come, first served.

Here are the names of the lucky local youths, followed by the name of the parent or guardian:

Clair Southworth, Chester Southworth; Nellie Jones, Lester Jones; Margaret Hill, Mrs. Merton E. Hill; Joseph Smith, Mrs. K. B. Smith; Anne Clifford McLaughlin, C. L. McLaughlin; Edmond Hutchison, Edmond B. Hutchinson; Marjorie Confer, Grace Confer, and Marie Standlea, Mrs. U. S. Standlea.

Jane Craig, Nellie Craig; Margaret Linsley, Maud M. Linsley; Ernestyn Thompson, Mrs. James C. Thompson; James H. Larkin, W. J. Larkin; Jack Atwood, O. E. Atwood; Stanley Odell Salyer, Lillie Salyer, and Gene Fetrow, Genevieve B. Fetrow.

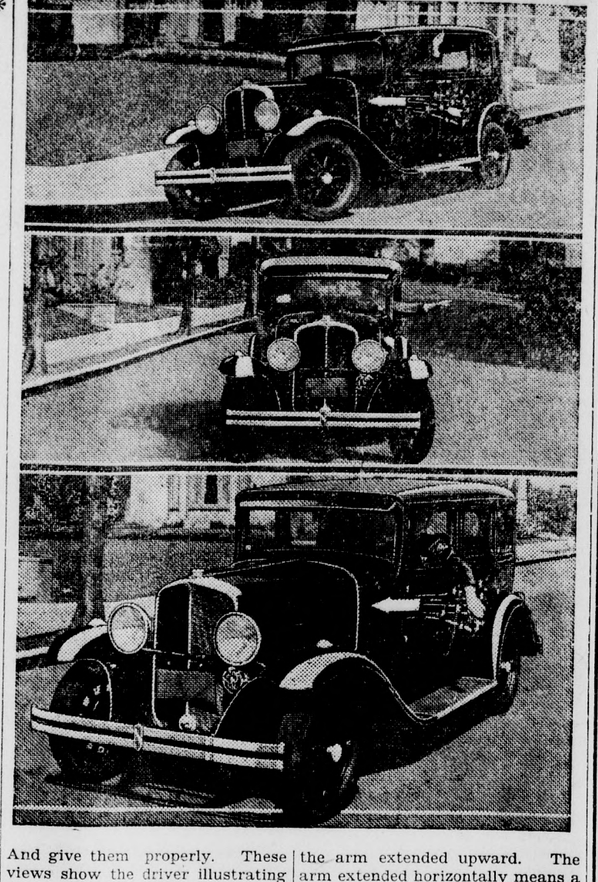
Give Signals For Stop And Turn



And give them properly. These views show the driver illustrating the proper arm signals for stopping and turning. The upper photo shows the right turn signal, the arm extended upward. The arm extended horizontally means a left turn, and arm held downward means stop or slow. Use these—they may prevent a serious crash.

Glenn Atwood Head of Fire Department

Glenn M. Atwood is today chief of the Upland volunteer fire department, having been appointed by the city council last night.

Mr. Atwood was elected by members of the department and his appointment by the city came as the result of the election. The group elects its chief every year.

All Set

A spinster went to have her picture taken and the photographer noticed her tying a piece of clothes line around the bottom of her skirt.

"What's the idea of that?" he asked. "Can't take your picture that way."

"You can't fool me, young man," said the old girl. "I know you see me upside down in that camera!"

Ladies Aid Plans Play and Program

The Ladies Aid society of the Bethany Union church is meeting today in regular session in the church social hall. The most important of the business matters being considered at the meeting is the presentation on May 9 of a musical program and play.

The play, which will be "A Minister's Wife's Reminiscences of a Donation Party," is expected to be a very clever number. Those who can recall the old-time "poundings" given the preacher in the east may easily imagine some of the humorous and the pathetic situations that may develop.

The details of the program are being worked out today.

Regis Toomay Will Be Seen at Granada

Regis Toomey, son of Mr. and Mrs. Frank X. Toomey of Upland will be seen on the screen at the Granada theater for three days starting Sunday in the picture, "The Light of Western Stars."

It was in this picture that Mr. Toomey performed so efficiently that won for him a very attractive future film contract. The picture is from Zane Grey's western drama. The cast includes Richard Arlen and Mary Brian, in addition to Mr. Toomay.

Charles "Buddy" Rogers stars in the picture "Young Eagles" at the Granada tonight and tomorrow.

"Coming in Fine"

The doctor's little daughter had strayed into his surgery, and was watching, wide-eyed, as he tested the heart and lungs of a patient. Suddenly she spoke:

"Getting any new stations, daddy?"

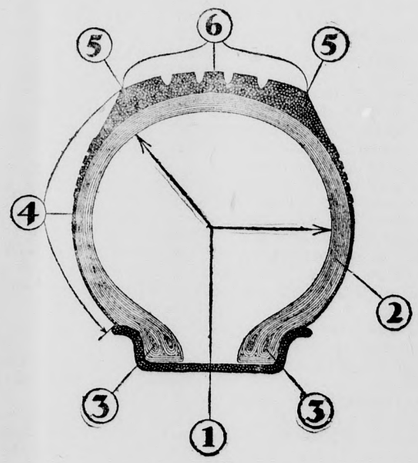
The most Conclusive Evidence of SUPERIORITY---



... this cross sectional diagram clearly illustrates 7 Points of Superiority which the Air-Flight Principle Tires by Fisk alone can offer you.

The De Luxe, Rugged, Fisk and Premier, each a First Quality, Fully Guaranteed Fisk, embodying all of the exclusive improvements of the new Air-Flight Principle of tire construction and representing the utmost that your tire dollars can buy in their four respective price fields. Their larger air-chamber, carrying more air at a lower pressure—their carcass, constructed of Fisk's patented and exclusive All-Cord—their flexible side-walls of live rubber—their streamline tread, multiple cable bead and greater road contact—the combining of all these new and exclusive features result in still another—The Air-Flight Balance.

FISK'S 7 POINTS OF SUPERIORITY

1. Larger Air Chamber
Carrying more air at a lower pressure—it brings a new and far better interpretation of Riding Comfort allowing your car to ride less on the rubber and more on the air.

2. All-Cord Process
A patented Fisk development which reduces internal friction and adds strength without rigidity or weight.

3. Multiple Cable Bead
Multiple Cable Bead gives added strength at the rim while increasing sidewall flexibility.

4. Increased Flex Area
Increased length of Flex Area at sidewall provides greater use of the air cushion.

5. Streamline Tread
The rim width of the streamline tread eliminates the useless overhanging tread rubber and allows greater air cushioning.

6. Greater Road Contact
Results in better and more lasting non-skid qualities and assures you of Safe Traction at any speed.

7. The Air-Flight Balance
The newly perfected balance between air and materials achieves the maximum of air cushioning and mileage.
